## The American Academy for Cerebral Palsy and Developmental Medicine Welcomes Jeremy Bauer, MD as New Director at Large

*The AACPDM Board of Directors is excited to announce one of its newest Board Director at Large, Jeremy Bauer, MD.*

**Milwaukee, WI., September 1, 2023** – The American Academy for Cerebral Palsy and Developmental Medicine (AACPDM) is pleased to announce Jeremy Bauer, MD as a 2023-2024 Director at Large.

Lesley Pritchard, PT, PhD, AACPDM President (2022-23) stated, “I am thrilled to have Jeremy join the Board of Directors as a Director at Large. The Academy appreciates his dedication, knowledge, and expertise, which will help in the growth of AACPDM in the coming years.”

Dr. Jeremy Bauer is an Associate Professor at Oregon Health and Sciences University and practices at the Shriners Children’s in Portland, OR. His research interests primarily center around the use of motion analysis in both cerebral palsy and sports. He has published multiple studies on outcomes and treatment of children with cerebral palsy and has co-authored a chapter on the orthopedic management of cerebral palsy.

Dr. Bauer has been an active member of the AACPDM for 12 years and has served on the Education Committee as well as the Committee Chair. As Committee Chair, he launched the AACPDM e-course platform. He served as a Co-Chair of the Scientific Program Committee for the 2020 Annual Meeting, which pivoted to an all-virtual platform.

### **ABOUT AACPDM:**

The American Academy for Cerebral Palsy and Developmental Medicine (AACPDM) is a group of more than 1,100 healthcare professionals committed to improving the health and quality of life for individuals with cerebral palsy and other childhood-onset disabilities. What sets AACPDM apart is the collaborative approach of its members, who work together to create a global network that delivers the best possible outcomes for patients. Among our members are pediatricians, neurologists, surgeons, physiatrists, therapists, nurses, special educators, engineers, and scientists.
