

Premier**Ipsen Biopharmaceuticals**

Ipsen Biopharmaceuticals, Inc. is the U.S. affiliate of Ipsen (Euronext: IPN; ADR: IPSEY), a global biopharmaceutical group focused on innovation and specialty care. The company is dedicated to providing hope for patients whose lives are challenged by difficult-to-treat diseases, focusing its resources, investments and energy on discovering, developing and commercializing new therapeutic options in oncology, neurosciences and rare diseases. For more information on Ipsen in North America, please visit www.ipsenus.com.

Platinum**Allergan**

Allergan plc (NYSE: AGN), is a bold, global pharmaceutical company focused on developing, manufacturing and commercializing branded pharmaceuticals, devices and biologic products for patients around the world. For more information, visit Allergan's website at www.Allergan.com.

Medtronic

Patients are at the center of everything we do--and we believe medical technology can play an even greater role in improving people's lives. Join us in our commitment to take healthcare further, together. Be inspired at medtronic.com.

OrthoPediatics

Founded in 2006, OrthoPediatics is an orthopedic company focused exclusively on advancing the field of pediatric orthopedics. As such it has developed the most comprehensive product offering to the pediatric orthopedic market to improve the lives of children with orthopedic conditions. OrthoPediatics currently markets 29 surgical systems that serve three of the largest categories within the pediatric orthopedic market. This offering spans trauma and deformity, scoliosis, and sports medicine/other procedures. OrthoPediatics' global sales organization is focused exclusively on pediatric orthopedics and distributes its products in the United States and 41 countries outside the United States.

Silver**Children's Hospital Foundation**

Children's Hospital Foundation is dedicated to funding and advocating for pediatric initiatives that improve the status of health care and the quality of life for children in our region. The Foundation provides support for the programs and initiatives of Children's Hospital of Richmond at VCU and the children it serves each year, as well as other pediatric health care programs in the community.

Mac Keith Press

Mac Keith Press provides information to advance treatment and care of children with disability. Primarily for a health-oriented audience of therapists, doctors, nurses and health workers, MKP's publications are also of interest to psychologists, special teachers and others involved in the care of children with disabilities.

Bronze**Cerebral Palsy Foundation**

The Cerebral Palsy Foundation is a catalyst for creating new possibilities in the world of disabilities.

We are transforming lives for people with disabilities by collaborating with many of the world's most innovative thinkers to create novel insights and develop breakthrough interventions which can be implemented today.

Rady Children's Hospital-San Diego

Rady Children's Hospital-San Diego is a nonprofit, 524-bed pediatric-care facility dedicated to excellence in care, research and teaching:

-We are the only hospital in the San Diego area dedicated exclusively to pediatric healthcare and the region's only designated pediatric trauma center.

-In affiliation with the University of California, San Diego School of Medicine, we are the region's teaching hospital for the next generation of pediatric physicians.

-We are a major pediatric clinical research center, working in collaboration with world-renowned institutions, including UC San Diego and St. Jude Children's Research Hospital.

Merz Neurosciences

Merz North America is a specialty healthcare company dedicated to developing and marketing innovative quality products for physicians and patients across the United States through Aesthetics and Neurosciences. <http://www.xeomin.com/healthcare-professionals/>

Holland Bloorview Kids Rehabilitation Hospital

Holland Bloorview Kids Rehabilitation Hospital is Canada's largest children's rehabilitation hospital. We pioneer treatments, technologies, therapies and programs that give children with disabilities the tools to participate fully in life.

Holland Bloorview is a global leader that serves about 7,000 children yearly. Holland Bloorview is a global worldclass teaching hospital affiliated with the University of Toronto, training future health-care specialists in the field of childhood disability. We are also home to the Bloorview Research Institute, allowing us to integrate leading research and teaching with front-line care to improve quality of life.

We see children with cerebral palsy, acquired brain injury, muscular dystrophy, amputation, epilepsy, spina bifida, arthritis, cleft-lip and palate, autism, and other developmental disabilities. A small number of our clients have complex chronic diseases that require round-the-clock medical care.

Gillette Children's Specialty Healthcare

Gillette Children's Specialty Healthcare, located in St. Paul, Minnesota, cares for patients who have some of the most complex, rare and traumatic conditions in pediatric medicine.

Weinberg Family Cerebral Palsy Center

The Weinberg Family Cerebral Palsy Center is the first program dedicated to transitional care for cerebral palsy (CP) on the East Coast. It provides integrated, coordinated, and multidisciplinary health care that includes pediatric, transitional, and adult care.

Through education, research, and advocacy, our growing network of cerebral palsy experts aim to expand knowledge of CP and access to care across the life span. We collaborate with our patients and their families to help people with CP of all ages to manage their symptoms and reach their full potential – building a bridge for lifetime care, together.

Booth 208**Surestep**

At Surestep, enriching and transforming lives through compassionate care and innovation is at the core of everything we do. It's our mission. Though it's easy to stay focused on this mission considering the rewarding work we do, we understand that we can only make an impact with the dedication of our employees. Passion drives us to serve children who need developmental assistance. Joy is what we feel when we witness the results of our hard work. That same joy and passion to change lives also applies to our team members. We strive to provide our employees with a safe, inclusive, and socially responsible workplace that encourages personal growth and success.

We know you have plenty of choices when it comes to the orthotic devices you choose to use. At Surestep, we believe our system of treatment is not only unique, but effective. Our core product, the patented Surestep SMO, revolutionized orthotic management for children with pronation or low muscle tone (hypotonia) worldwide. In addition to our SMO system, we also offer a comprehensive selection of devices to assist children with a wide range of mobility challenges. Each Surestep product is custom-made to achieve the ultimate in fit, function and comfort.
