

POSTER DISPLAY GUIDELINES

The AACPDm will provide poster boards available which measure **8 feet** (horizontal) by **4 feet** (vertical). All information must be confined to the area of the poster board. The surface of the poster board will accept velcro or push pins. Posters will be numbered in the order that they are listed in the Preliminary Program. Please place your Poster at the correct designated number.

NOTE: *Scientific Posters and Demonstration Posters will be on display throughout the entire duration of the meeting. There will be six designated Poster Breaks in which all authors are requested to be available at their poster to answer questions.*

In preparing and presenting your poster, please keep in mind that your audience may represent many disciplines and perspectives, including physicians, therapists, researchers and parents. Also, include your contact information on your poster in order for attendees to contact you at a later date.

SET-UP: All Posters must be completely set up by 6:30 AM on Thursday, October 13, 2007. The "Poster Premier" will be from 6:30 AM – 8:00 AM on 10/11/07.

ALL POSTER PRESENTERS ARE REQUESTED TO BE AT THEIR POSTERS DURING ALL FOUR POSTER REVIEW DATES AND TIMES.

TAKE-DOWN: Posters must be dismantled by 1:00 PM on Saturday, October 13, 2007. AACPDm, Levy Decorating and the VCEC will not be responsible for posters left up after this designated time.

POSTER DISPLAY MATERIALS REQUIRED:

1. A **HEADING** that includes the title, author(s) and affiliation for the Poster. The heading must be mounted at the top of the board. Lettering should be large enough to be read from a minimum distance of four feet.
2. **ALL MATERIALS** are to be presented on the poster, including text, figures and graphs
3. **TACKS, VELCRO** or other means for attaching materials to the board. These items will **NOT** be provided by AACPDm.

Poster arrangement will vary; however, a sample arrangement for easy viewing is illustrated below:
