Developmental Medicine and Child Neurology

We are delighted to announce that abstracts are now appearing in Spanish and Portuguese alongside English in *Developmental Medicine and Child Neurology*.

Working with the *Academia Latinoamericana de Desarrollo Infantil y Discapacidades* (ALDID) we are gradually publishing more and more translations - look out for them in recent and forthcoming issues.

The Abstracts of the next meeting of the European Academy for Childhood Disability are now available online: [Volume 59, Issue Supplement S2](#) and we are looking forward to the meeting in Amsterdam this week.

Book chapters - we have made chapters available to buy from more titles:

[Cerebral Palsy: Science and Clinical Practice](#) – Dan, Mayston, Paneth & Rosenbloom

[Life Quality Outcomes in Children and Young People with Neurological and Developmental Conditions](#) – Ronen & Rosenbaum

[Diseases of the Nervous System in Childhood, 3rd edition](#) – Aicardi, Bax & Gillberg

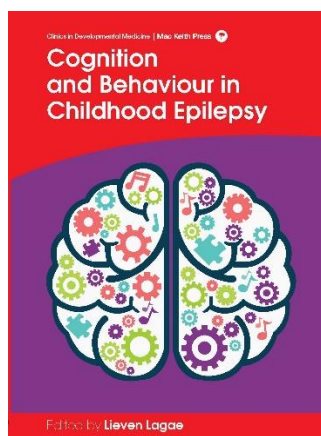

[Measures for Children with Developmental Disabilities](#) – Majnemer

[Cerebral Palsy: From Diagnosis to Adult Life](#) – Rosenbaum & Rosenbloom

New Books

We are delighted to launch a new title this month:

[Cognition and Behaviour in Childhood Epilepsy](#) by Lieven Lagae
