

## News from Mac Keith Press

April 2018

### *Developmental Medicine & Child Neurology*

As well as making the latest editorials and commentaries free to read, *Developmental Medicine & Child Neurology's* 60th birthday celebrations are continuing on a more nostalgic note. Throughout 2018, members of our [Editorial Board](#) will be looking back through the archives from *DMCN's* inauguration in 1958 and highlighting a key paper from each year, which will be free to read. Reasons for each selection will be documented on our [website](#), where you can follow the campaign. Alternatively you can follow on [Twitter](#) using the hashtag: [#DMCN60years](#)

The [Wiley Online Library](#) has had a makeover! The new page has been updated and streamlined to make navigation as intuitive as possible. Head on over to the [page](#) to explore further.

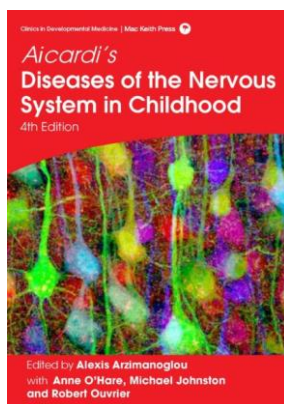

### Mac Keith Press eBook chapters

In book matters, lots of our books are available for purchase as individual eBook chapters and the first chapter of each eBook is available for free.

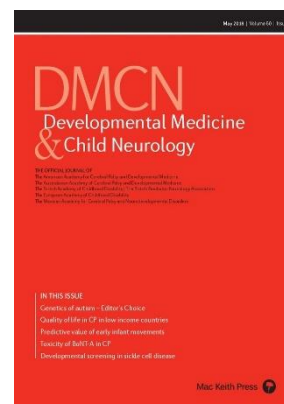

To see the full range of available chapters, visit our [online library](#).

### Mac Keith Press publications
